

## **“CHIRO 2 GO”**

We come to see you.

If you can not make it to our office.  
Your visiting and do not know directions.  
You're in a retirement community.  
Your company would like us to come for the lunch time hour.  
Or you just want to be checked before golf.....

**Then let the chiropractors and massage therapists come to you**

**It is safe.  
It is legal.  
We are professional.**
